and NSD File No. L-00-72.

Dear FCC:

I feel it is unfair to add another \$1.00 per month fee. I'm on a fixed income,  
which is very low.

I depend on my wireless phone for safety and security.

Being on a fixed income and everything else raising, i feel i will have to let  
my wireless phone go.

Thank you for your prompt attention to this matter. Please provide a written  
response indicating the status/resolution of this matter.

Very truly yours,
